The Door County Coffee and Tea Co. is a local café and roasting facility where you can grab a latte/coffee and meander through their gift shop. Walking through the doors you will immediately enjoy the aroma of more than 100 types of coffee—all of which are roasted on-site. A tour of the facility will add to the enjoyment of sipping a home brewed coffee.

The Door County Candle Company is located in picturesque Door County Wisconsin. In 2021, Christiana Trapani, a Door County native, took over as owner of the candle company. Having a love of candles and Door County, she is excited to keep the Door County Candle

Company alive, and the traditions strong. **IF YOU WISH TO SUPPORT HUMANITARIUM AIDE TO UKRAINE – STOP FOR A CANDLE.**

For 45 years, Door Peninsula Winery has been a mainstay of the Door County economy, producing the finest and largest selection of wines in Wisconsin.

The winery was founded in 1974 in a former two-room schoolhouse. With increased demand for their offerings, Door Peninsula Winery expanded its number of wine selections. In addition, several varieties of vodka are offered – including the high-end Luminous brand and a cherry-flavored version – as well as gin, whisky, brandy and bitters are made and sold.

With over 60 different wines and ciders to be tasted at one of our two tasting bars, we hope you will be able to find your favorite. (Tour optional)
