

WI FBINAA "Chapter Chat" 2017 Fall Edition

Compiled By: Mike Keller,
WIFBINAA Chapter Historian

The Wisconsin Chapter was well represented at the 2017 Annual Training Conference in Washington D.C. with 27 delegates in attendance. Quite a few delegate family members also enjoyed the conference activities, sightseeing, and educational opportunities in and around the D.C. area. In addition to the conference and Quantico "Homecoming" event, a significant number of Wisconsin delegates and family members also enjoyed an escorted tour of the U.S. Capital building, along with a visit to Speaker Paul Ryan's office.

The Wisconsin Chapter hosted its annual golf outing on August 18th at the Whispering Springs Golf Course in Fond du Lac, WI. A great time was had by all 116 golfers in attendance. John Eimon, of Great Midwestern Bank scored a "hole-in-one" along with bragging rights on the 13th hole.

The Chapter held its annual Fall Shoot and Steak Fry on September 28th at Waukesha PD's outdoor range. In addition to the firearms training, WI DOJ Assistant Attorney General Dave Perlman provided a legal update for those in attendance. Great training, great steaks, and a great networking opportunity!
