The Chapter will award one \$1,500 scholarship, with the possibility of awarding up to two additional \$1,000 scholarships at the discretion of the Executive Board and the Scholarship Committee.

The intent of this program is to:

- Serve as a means of giving back to our members

Applicants for the President's Scholarship must demonstrate and will be independently evaluated, based on academic achievement (25%), National Academy Association Affiliation of Sponsor (25%), community involvement (10%), extra-curricular activities (10%), and an essay (30%).

**To be eligible the applicant must:**

However, preference points shall be awarded to applicants who are the **child, stepchild, grandchild, niece, or nephew** of an active member or other (NA Coordinator, Counselor) in good standing of the Wisconsin Chapter of the FBI National Academy Associates.
- Be enrolled in an **undergraduate degree program** at an accredited institution of higher learning.

The Scholarship selection committee will also give consideration to, and in the following order:

2. Prior applicants who did not receive a prior scholarship from the Chapter.
3. Prior Chapter scholarship recipients.

All scholarship funds awarded will be sent directly to the educational institution upon proof of registration, to be deposited in the recipient's school or college account. No direct payments will be made to recipients. Applicants must have been accepted to an accredited college or university and must be currently enrolled to be eligible for scholarship funds. When completing the application, please keep in mind that your materials will be closely reviewed and scored. Two areas that are evaluated and which need to be specific are; 1) Community Involvement – groups you belong to, activities you participate in outside of school. These may be activities like church groups, 4H, choirs, community organizations, etc. (2) Extra-Curricular activities – Separately, detail your involvement in activities that are associated with your school, such as band, sports, debate teams, etc. (You may add additional pages as necessary). The committee will look most closely at the last two years, so please be specific as to when the Community Involvement or Extra-Curricular Activities occurred. Pertinent data outside the two- year window may be included for consideration, but please denote when these activities took place as well.
